Look out for new Worcester City Early Help App

Available on:

Child Health Clinics

- Make it easy for you to access health advice and information
- Help you to meet other local parents and make friends
- Provide opportunities for your baby/toddler to explore and socialise with others

Available every week:

- One to one health advice on your child's growth and development from a local health visitor
- Information and help with all aspects of family life from a children's worker
- Cosy corner for babies
- Play area for you and your toddler to enjoy
- Topical information for parents and fun activities, for example: weaning, Bookstart, dental health, and child safety
