AIMING HIGH
Activity programme for disabled children in Stoke on Trent

October - December 2019
MERRY CHRISTMAS!

HOW
ACTION FOR CHILDREN
IS WORKING WITH
The 1st October 2019 is the beginning of the new Aiming High contract and marks 5 years that Action for Children have been the Lead Provider. We look forward to continuing to provide you with a range of exciting activities for children, young people and families to enjoy.

You can find out what’s in store from page 13.

We aim to help children live their life, their way. For disabled children, that means doing whatever it takes to make life better – from celebrating the small steps to making a long-term plan for adulthood. We provide short breaks for children and their carers – a chance for everyone to take time out and enjoy new experiences. Through our national campaigning and advocacy work, we listen to what children want, act on their behalf and make their voice louder.

If you need to cancel an activity, we completely understand that there may be times when you are unable to attend an activity, please let us know ASAP, if possible. We have many children that enjoy the activities and where possible we would like to be able to offer your space to another child.

If you have any questions, as always please get in touch. We look forward to seeing you very soon.

With our best wishes,

The Aiming High Team at Action for Children

How to book:
1. If you haven’t already, register your child with Aiming High by emailing us on web.stokeontrent@actionforchildren.org.uk
2. To book your core offer activities all you need to do is call us on 01782 683129 (Monday – Friday 9am-5pm) or email the address above between 1st and 10th of the month. You need to call us each month to book activities for the following month.

As part of your core offer you need to tell us what you’d like your child to take part in. We’ll let you know we have your choices and we’ll confirm whether your child has a place. If you’d like to book further activities, please get in touch after the 10th of the month and we will tell you about the contributions you need to pay for or see page 4 for contribution rates.
How many free activities can I book?
You are able to book one core activity for October term time and one for the half term holiday. In November and December it’s one activity per month.

How many additional can I book?
If you’d like to book your child on more activities, there will be a contribution to pay - £5 for up to three hours, £7.50 for up to five hours and £8.50 for five hours with transport from a central meeting point, £7 for a family activity. You can book as many as you wish subject to availability.

Are the activities booked on a first come first served basis?
We don’t allocate activities like this. All you need to do is give a few choices and we’ll look at your child’s activity history so that activities can be allocated fairly, and all children can access the opportunities.

How do I pay for activities and transport?
You can pay by:
- Send a cheque to our office – made payable to Action for Children
- Pay with cash or card at the office (we are open 9am-5pm, Monday – Friday). Suite 31 Dudson Centre, Hope Street, Hanley, ST15DD.
- Send a postal order to the office address.
- Call us on 01782 683129 and pay over the phone by credit or debit card.

When should I pay by?
Either at the time of booking or by the end of the month the charges relate to.

I can’t get through on the booking line, how else can I book?
Email web.stokeontrent@actionforchildren.org.uk and don’t forget to give as many preferences as you would like, please email your core offer choices between 1st and 10th of month and additional activities between 11th and 15th of month. A confirmation letter will be sent to you. Please note we are only able to process emails during 9am-5pm, after this time, your email will be looked at the next working day.

I forgot to call or email within the booking period, can we still take part?
Don’t worry, give us a call and we’ll see what we can do. Please be aware your preference might have gone but we’ll tell you what’s available.

Is the activity suitable for my child?
Next to each activity we have symbols to give you more information. The age given tends to be a guide only, apart from the team at Children and Families Staffordshire who can only accept children under 12 years-old. If you’d like clarification do give us a call.

My child lives in Staffordshire, can we attend?
Staffordshire families will only be able to book activities from 11th of the month with a cost applied.

Will you provide transport?
If you feel transport is a barrier to your child accessing an activity, please give us a call to discuss this. Following the discussion if transport is required a £7.00 charge may be implemented.

We’d love to hear from you, give us a call or send an email and we’ll get back to you.
Non-attendance
You must give us 24 hour’s notice (we often have people on waiting lists, so we will be able to offer the place to another child).

If you fail to attend three sessions, without informing us beforehand, in three months, the offer of future places may be withheld. We understand that there are exceptional times when you are not able to attend without giving notice, for example emergency appointments and your child being ill. Please inform us within 48 hours of the activity before your child’s non-attendance is recorded.

Non payment
Above and beyond your core offer entitlements, there’s the opportunity to book further activities at a cost. Transport is also an extra cost and is not provided free of charge. All extra activities and transport must be paid for by the end of each month, we will confirm the full cost at the time of booking. If you need to discuss any concerns regarding payment call the service coordinator on 01782 683129.

Zero tolerance
We take a zero tolerance approach to bullying, harassment and abuse – physical or verbal. Anyone who abuses Action for Children staff or volunteers may put at risk access to the service for them and their family members.

We understand that caring for children with additional needs can be a very demanding and stressful role and hope that our short breaks activities can support you in your caring role.

We do however at times and very rarely experience a parents/carer that may be frustrated and or angry on the phone. This is an experience that we would hope to be able to rectify where possible, however there may be the occasion where we will explain that we are unable to deal with this issue at this time and staff will put the phone down and ask that parents call back when they have had the opportunity to calm down.

You will be very welcome to call back and we will then be able to deal with your issues.

Parents/Carers staying with children at activities

The aim of the programme is for children to gain skills and independence as well as giving parents/carers a break, therefore as a rule parents/carers do not stay at activities. We do understand that some children need support to settle in, therefore we would always be willing to talk to you about a short term plan in order for you to support your child. Please speak to the service coordinator to agree this. We do also offer family activities which the whole family are welcome to come and enjoy together.

Children and young people new to the programme

We want to make sure all children and young people are safe and have a great time, so we have introduced a policy for those new to the programme. The first two sessions that children come to will be limited to 2-3 hours and take place locally to make sure that we can get your support if they aren’t settled. You will be advised more about this when you book for the first time.
Booking activities

You are able to book one core activity for October term time and one for the half term holiday. In November and December it’s one activity per month.

Bookings for your core offer activities will be taken between 1st-10th of the month and additional activities between 11th-15th of the month which there will be a cost applied.

If you live outside of Stoke on Trent you will need to book between 11th – 15th of the month and a cost will be applied.

Some paid activities do book up very quickly so it is important that you try and book within this period, in order to avoid disappointment.

For Staffordshire Families

Action for Children have been successful with the new Aiming High contract and it will begin 1st October 2019.

The new Aiming High service is commissioned by Stoke on Trent local authority and is a targeted short breaks service for children and young people with a disability and their families that live in Stoke on Trent.

A charging policy is currently in place for any activity which a child/young person accesses above and beyond the core offer. Bookings for such activities are taken from 11th-15th of the month prior, along with bookings for Staffordshire families accessing their core offer within this period.

We share the councils desire to improve the offer to parents and children/young people and by working towards the longer term sustainability of this programme, priority for the programme ultimately lies with children and families that reside in the Stoke On Trent area.

From the start of the new contract 1st October 2019 any family classed as living outside of Stoke on Trent we will have a nominal charge for all activities that are booked from 11th of the month, meaning that all activities booked within the Stoke on Trent Aiming High programme will be at a cost.

There is a Staffordshire Aiming High programme commissioned by Staffordshire county council that is open to 0-25 year olds with a special educational need/disability who live in Staffordshire and you can access a set amount of free activities each month. For further information on this please call 0300 111 8007.

Changes to Age Range in the New contract

With the start of the new contract there will be some changes occurring that unfortunately will affect young people aged 18 – 20 years. This change being that the
programme will now only be available to those that are aged from birth up until their 18th birthday.

We understand that change can be very difficult for young people with disabilities; consequently, transition to adulthood is a particularly confusing time, which we know can bring a lot of anxiety. In planning and implementing the change in age range we will ensure that if you are affected that we fully support you and will explain how the programme will adapt to provide more preparation for transition and we will do our utmost to point you in the right direction for further support and advice.

**New Provider**

YMCA GO is part of YMCA North Staffordshire. We will be running a session every second Sunday of the month covering dance, drama and performance. Our youth workers have unique skillsets in this area and deliver an exciting, engaging and interactive class including which will promote independence, socialisation, communication, mobility and self-awareness. Our venues are naturally lit, accessible & safe spaces and our staff are DBS checked and safeguarding trained. Our dance workshops offer a wide range of benefits beyond the obvious improvements in coordination and physical fitness. Regular dancing can lead to strengthened muscle tone, help to maintain concentration and focus and build a person’s sense of self-confidence. Dance can also provide a valuable outlet for self-expression that can be enormously beneficial for people who might have difficulty communicating in other ways, thus reducing their sense of frustration and enabling them to build better relationships with people. Our Drama sessions aim to improve and help maintain social and language skills of young people with improvisational drama contributing to improved reading achievement and attitude.

**New Activity**

**Wildlings:**

Wildlings is a group with a twist with Staffordshire Wildlife Trust! Come along and try new things outdoors. You could swing in a hammock, get mucky making a mud pie and sing songs around the campfire, all in the woods.

All sessions include a hot drink for adults, plus juice and snacks for children.

Children come along to explore the various activities such as mud kitchen, mud painting, hammocks, slackline, a nature trail, a natural craft, sensory exploration or a campfire! This gives children a real sense of the wild! We encourage parents to take a little bit of a step back and allow their children to explore their surroundings, encouraging independence, socialisation, communication, mobility and self-awareness.

The sessions are very relaxed - a lot of children find being outside is a different experience, allowing them to relax a bit more and get involved. We have had feedback from parents that the sessions are unique and provide a very different experience to a playgroup in an echoing village hall.

**Exciting Brand News**

In July 2019 we launched our new brand, after a year of sharpening our focus as an organisation. We have a clear new sense of what we want to stand for - captured in our new Vision, Mission and Values. Our new ambition for our internal culture this will be driven by a simple, powerful concept: We Are Family, inspired by the unique way in which our children’s services operate, but equally relevant to us all.

**Did you know that if you have a child under 5 years old you may be entitled to funded childcare and education?**

Call us on 01782 232200 for more information
When a child or young person starts using an Action for Children project, or takes part in any of our activities, their personal data is recorded. Depending on the type of work we are doing, this is likely to include sensitive personal data.

If we need to keep this type of information, we will ask for your consent. We want you to be happy with the information you give us, understand what it might be used for and who it might be shared with and be assured that what you give us is kept safe and secure. Because we have a duty to protect children and young people, we will share information with other organisations when it is needed to help keep a child or other individual safe from harm.

**Legal stuff - Data Protection**

Action for Children works within the legal framework for data protection and supports your right to privacy – to see, change and challenge information held about you.

We also have our own rules about how information about you is stored and used. Many of the services that Action for Children provides are paid for by other organisations, including both local and national government departments. Where this is the case, the data you give us will also be available to that organisation.

Both Action for Children and the other organisations may be joint data controllers or only one of them is the data controller. A data controller is the organisation (or organisations) that has a duty and responsibility to ensure your information is processed lawfully. The data controller for your information will depend on the service or project you attend.

Where information is given to other organisations as a data controller, they will be legally responsible for what they do with that information, while we remain responsible for what we do with the personal information we keep.

**What we do with your information**

Action for Children wants to be sure that the services we provide are high quality and that they meet your needs. To do this we record information about you this information is kept in a file, which may be an electronic or a paper file.

The file contains information about you, and about key people in your life, such as parents, people who live with you, or are important in your life, and people such as social workers, teachers and doctors.

You can ask to see your information at any time by asking a member staff at your service.

Staff working with you and the senior manager in charge have access to your file, which is kept securely. Because we want to be sure that the services we provide to you are high quality, other managers and staff may need to monitor (audit) your file for quality.

We will keep your file for as long as we need to, by law. The length of time your file is kept depends on the service you receive.

**Further information**

This section explains what we do with the personal information you give to us. If you do not understand this information or would like to know more, please speak to someone at Stoke Aiming High, or contact the Information Governance Officer by calling 01923 361 500 or visit [www.actionforchildren.org.uk](http://www.actionforchildren.org.uk).

For more information about the Data Protection Act and your rights, please visit the Information Commissioner’s website at [www.ico.gov.uk](http://www.ico.gov.uk).

Action for Children is not responsible for the content of external websites.
By listening to what you say

Action for Children is always interested to hear your views and we aim to include as many new activities into the programme as possible.

Please let us know your thoughts about the programme by calling us on 01782 683129 or email us on web.stokeontrent@actionforchildren.org.uk.

We always want to get the views of children and young people. Please let us know what your children think, we also get feedback in lots of ways from activities.

If you have a complaint

At Action for Children we are committed to quickly and effectively resolving complaints. If you have a complaint, please contact the office and ask to speak to a co-ordinator who will talk to you about the issue. Alternatively, you can email via the contact form on the website or write a letter. However, if you are not comfortable to do this please contact Complaints Manager Action for Children, 3 The Boulevard, Ascot Road, Watford, WD18 8AG

Reminder
Please make sure that children bring a drink with them to the activities.

Parent drop ins
We’d love to get your feedback on the programme so we are holding two parent drop in events on Wednesday 23rd October 10am-12pm and Monday 9th December 3pm-5pm at The Dudson Centre on Hope street in Hanley.
Working with amazing partners we can run the Aiming High programme.

Children and Families Staffordshire
Their teams work across the county to ensure that every child that comes to the activity has a fun time in a safe environment. Children make friends and parents have a well-deserved break. The sessions are personalised to meet the needs of the individual children attending on the day. One to one care is available and staff have NVQ3 qualifications as a minimum plus safeguarding, First Aid, Makaton and Behaviour management. All activities are suitable for children up to the age of 11 years-old.

Abbey Hill
Abby Hill School and Performing Arts College is a large purpose built local authority maintained special school catering for children aged 3-19 years old. The school are specialists in Autism, communication and interaction. All staff who work with Action for Children are fully qualified and trained in safeguarding, MAPA and First Aid.

Kemball School
The school works with pupils who have cognition and learning difficulties. Its mission is to maximise each child and young person’s potential by enabling them to achieve as much independence as possible and to enjoy a quality of life which is both stimulating and rewarding.

Regent College
Situated in Shelton in Stoke on Trent, the independent day college’s mission is to develop pupils’ independence in an adult world through communication, vocational, social and life skills. They do this by providing further education for pupils with learning difficulties and/or disabilities. Through inclusive learning the college is committed to vocational education, personal and social development of young people with challenging behaviour aged between 16 and 25 years-old.

Watermill School
The school has been carefully designed to provide for a wide range of pupils’ needs to be addressed through educational, social, physical and emotional growth for the age range 3 to 16. All staff are qualified in the minimum NVQ Level 3 in supporting Teaching and Learning, they are also experienced in working with pupils that have special educational needs (SEN). During all activities there will be a first aider who has training in administering emergency epilepsy medication. Other staff have manual handling and are MAPA trained.
FRONTLINE Dance
Based in Stoke-on-Trent and Staffordshire FRONTLINE Dance works with people of all abilities to create, move, dance and perform. Their focus is dance and disability but they also provide fantastic opportunities and access to art, media, music and drama, giving people the opportunity to take part. The group’s aim is to increase self-esteem, confidence, teamwork and to inspire and to raise awareness of what is possible and promote positive responses to both disability and to dance.

Gifted – DJ and production workshops
The workshops give disabled children an opportunity to explore their creative talent through music and imagery production. Using contemporary mediums. Gifted works with disabled children and young people, young people not in employment, education or training and Primary Care Trusts. Each workshop is not only fun, they develop attendees confidence, independence, personal and social development.

Staffordshire Angling
The Staffordshire Angling Regeneration Team – or AKA The Star Team – is a teaching group in Stoke on Trent which consists of six angling clubs. The group, through angling, brings together people from all communities to encourage better understanding of the environment and awareness of our surroundings.

Staffordshire Wildlife Trust
The Trust prides itself on the quality, variety and expertise of its community engagement work. They work with individuals, groups, families and organisations across the county to connect people to conservation and wildlife. They do this through taking positive action in our communities, through fantastic volunteers or specific conservation projects. They provide exciting and fun Wildplay sessions enabling children and young people to enjoy the outdoors and Wildfamilies sessions.

Our Sapce
Our Space is a charity providing social and recreational opportunities for children, young people and adults with disabilities. We offer a range of sessions throughout the week to cater for different age groups including a popular family session on a Saturday afternoon where the whole family can come and enjoy our facilities at The Brook Centre in Newcastle-under-Lyme.
The Brook Centre has more than an acre of outside space, an indoor soft play area, a large kitchen area and fully accessible toilet facilities. We also provide playschemes during school holidays and Family Fun Days.

Crossroads
Crossroads Care Staffordshire is a leading provider of support services for Carers, adults and children living with a disability. All our staff working with children and young people are qualified to a minimum level of NVQ2 and are trained in all aspects of support including paediatric first aid, safe handling, safeguarding children, administration of medication and personal care. As part of the Aiming High programme, Crossroads provides its own range of activities as detailed in this brochure.
Bee Active
Bee Active is Staffordshire & Cheshire’s leading sports and physical education provider. With an innovative approach to teaching sports and physical activity they certainly have created a real ‘Buzz’ in our local area. Bee Active aims to inspire children to lead a more active and healthy lifestyle.

Jump 2 It Coaching
Providing fun and friendly trampolining lessons for disabled children across Stoke on Trent. The team run two types of lessons - one for children with learning disabilities and another for children with physical disabilities. The sessions are great for helping with balance, coordination, muscle tone, fitness and much more. Being bounced also gives the children the sense of freedom. Parents/carers need to provide a sling for wheelchair users for use with their hoist. All coaches are fully qualified by British Gymnastics, the lead coach has training in disability and sport and the team is fully trained in rebound therapy, first aid, safeguarding children and safe handling.

Sport Works
Sport Works is an award winning provider of exercise, health and alternative education programmes to local authorities schools and private organisation. The Company has expanded into the midlands during 2017. Sport Works (Midlands) Ltd is happy to be providing mixed sport and swimming lessons through Stoke on Trent’s aiming high programme. Our sessions will be led by qualified coaches who specialise in working with youngsters with extra needs and promise to be safe enjoyable and engaging.

YMCA
YMCA GO is part of YMCA North Staffordshire. We will be running a session every second Sunday of the month covering dance, drama and performance. Our youth workers have unique skillsets in this area and deliver an exciting, engaging and interactive class including which will promote independence, socialisation, communication, mobility and self-awareness. Our venues are naturally lit, accessible & safe spaces and our staff are DBS checked and safeguarding trained. Our dance workshops offer a wide range of benefits beyond the obvious improvements in coordination and physical fitness. Regular dancing can lead to strengthened muscle tone, help to maintain concentration and focus and build a person’s sense of self-confidence. Dance can also provide a valuable outlet for self-expression that can be enormously beneficial for people who might have difficulty communicating in other ways, thus reducing their sense of frustration and enabling them to build better relationships with people. Our Drama sessions aim to improve and help maintain social and language skills of young people with improvisational drama contributing to improved reading achievement and attitude.
